

PROFESSIONAL RISKS CLAIMS ADVICE GENERAL ADVICE ONLY

An important feature of any Professional Indemnity and Directors' & Officers' Liability policy is the “**claims made**” basis of cover. Essentially these forms of cover require immediate notification of:

- A claim against an insured
- Any circumstances that may give rise to a claim under the policy.

If such circumstances are not reported to the insurer prior to expiry of the period of insurance, the insurer is not bound to provide indemnity under the policy.

In order to ensure that any entitlement to indemnity is preserved, your insurer must be advised of any incident that may give rise to a claim immediately when it comes to your attention and prior to the expiry date of the policy.

Notification should be given to your Account Manager at Nepean Brokers & Associates Pty. Ltd. will then:

- Advise what action should be taken
 - Notify insurers on your behalf.
